Dear Mr. Mendelovitch,

I am taking this opportunity to thank you once more for your generous annual support of our holiday gift drive.

We are absolutely thrilled to have your continued support. The donations you have collected from numerous individuals and organizations exceeded \$33,000, with the addition of 550 gifts. The children are fortunate to have caring contributors such as yourself and your entire team! These donations make it possible for children and youth to have a joyous holiday season.

As the busy Christmas season approaches, we look forward to your fundraising efforts once more to fulfill the dreams and hopes of our children and youth.

With much appreciation,

Assunta Gallo
