LinkNow annual fundraiser benefitting Batshaw Youth & Family Centres

**THIS HOLIDAY SEASON,
MAKE A LOCAL FOSTER CHILD'S WISH COME
TRUE!**

Every year, thousands of children in foster care spend the holidays without the comforts we take for granted. They are removed from their family in an unfamiliar setting and they rarely receive any gifts.

This is especially heartbreaking because so many of these foster kids are survivors of neglect and abuse and they sometimes assume Santa Claus hasn't brought them anything because they have been bad.

The New Secret Santa is LinkNow Media's annual charity drive for the Batshaw Youth and Family Centres, a local, non-profit organization that works with children who are victims of abuse, neglect and abandonment. When you donate today, you will be donating towards gifts that will help make children in foster care feel loved this holiday season. And since everyone at LinkNow is volunteering their time to help out,

100% of the donations go towards the cause! Last year even with all our fundraising efforts, many children still went without. Please help make sure this year every child gets a gift.
